Graduate Program (M.Sc.) Global Change Ecology - Aptitude Assessment Test

Dear Mr. Mukul,

as stated in the attached letter, the President of the University of Bayreuth has approved your accreditation to the study program Global Change Ecology. Legally only this German document applies.

To apply for your visa in the German Embassy of your country, the President's letter (original version) will be sufficient.

For your enrolment, which is possible from August 18th to October 6th 2008 you have to bring with you:

- the President's letter (original version)
- certificate of general university entrance qualification (original)
- Bachelor certificate (original),
- Master certificate (original), if you hold a Master's degree.

Enrolment is to be done in the "Studentenkanzlei" (students registration office), building "Zentrale Universitätsverwaltung" (central university administration), room 1.09. Details are given on the following websites:

<http://www.uni-bayreuth.de/studentenkanzlei/einschreibung/index.html>
